

## What is the Good

of good printing? You can probably  
answer that question in a minute when  
you compare good printing with poor.

You know the satisfaction of sending  
out printed matter that is neat, ship-  
shape and up-to-date in appearance.

You know how it impresses you when  
you receive it from some one else. It  
has the same effect on your customers.

Let me show you what can be done by a  
judicious admixture of brains and type.

Let me help you with your printing.
